

SUMMER CARE

Week 8 July 10-14

Theme: Exploring Through Science

Great Plains Zoo Field Trip

Wednesday, July 12th—1st through 6th grade

Thursday, July 13th— PK A, B, C & Kindergarten

The bus is loaded at 8:30.

Please have your child to Summer Care by 8:20.

If you are running late call 941-9213.

If you miss the bus you will need to bring your child to the zoo to meet up with their class, or they can stay at school with another group.

No Refunds will be issued for any requests that do not follow these guidelines.

Week 11 & 12 refund requests due by July 10th

Notes From The Teachers

PK- C

Hi! I can't believe how fast summer is going.

I hope everyone had a great Fourth of July!! Please remember your orange shirts for the zoo field trip! We will be doing some fun animal crafts in the classroom and we will be talking about our favorite animals.

Jordy Bosseler

2nd

I hope everyone had a fun and relaxing Fourth of July holiday! Second grade is excited for the remainder of the summer and all of the fun times still in store. We are excited to visit the Great Plains Zoo next week as well as continue swimming at Laurel Oaks and play at the park. Just a reminder to send your child's swim gear with them on TUESDAYS and WEDNESDAYS. Also, please send back any borrowed blue shirts that are washed and dried. Have a great weekend!

Jordan Osterberg

PK- A

Can't believe how fast we are flying through summer! This week our field trip will be to the zoo! So before we go we will make sure to practice animal sounds and identify what animal goes with what sound!

Mckayla Hermanson

Kindergarten

It's Week 8 already; the summer is flying by us. This week's theme is Exploring Through Science, therefore we will be doing a different science activity every day. I'm hoping we will be able to bring our kites back to the park. We did not have much luck flying them the first time. During Week 6, we saw the ZooExpress at Laurel Oaks Park. This week we have a field trip to the Zoo on Thursday morning. That will get us ready for next week's theme "A Walk On The Wild Side" when we will study wild animals and their habitats. It's been a wonderful summer so far. I am really looking forward to these last few weeks.

Sarah Langin

3rd

The summer is flying by. We have been enjoying the pool and our field trips. Make sure you are sending your blue shirt for pool days and field trips.

Katie Drummond

PK- B

This next week our theme is **Exploring Through Science**. We will be doing little science experiments throughout the week. We will also be going to the Zoo! We can't wait to see the Koalas! Please remember our orange shirts!

Makayla Mergen

1st

This week in 1st grade we will be "Exploring through science! Animal science that is!" This will include animal math centers and a fun read-a-thon of non-fiction animal books. Then we will present our knowledge of animals to our preschool book-buddies! Be sure to remember blue shirts for swim days!

Katie Beldt

4th-6th

This week was the Fourth of July! Happy Birthday America! Next week we will be going to the Great Plains Zoo for our field trip! With the weather so nice it will be good to be out in nature! The kids love the extra activity of basketball in the gym so we will be going to the park to play more at their courts! Reminder to make sure that if they have not brought sunscreen already, to please send it!!

Katie Taylor
