Hello!! The kids had a great time at the Zoo. It is always fun to see the different kinds of animals. Please remember your orange shirts for swimming and field trips. Have a great weekend!

Second grade had such a wonderful time visiting the Great Plains Zoo this week. We really enjoyed viewing all of the cool animals! Looking to next week, we plan on further challenging our minds, writing fun stories, as well as spending even more time with our friends. Have a great weekend!

Jordan Osterberg

PK- A

The kids had a great time at the zoo! Learning all about the animals helped out before-hand, although they knew most of them. Don't forget to send orange swim shirts for swimming day. Let's hope summer slows down!

This week's theme is A Walk on the Wild Side. We will be studying wild animals and their habitats. We will also take our second trip to Ronning Library to check out books for our classroom. Your child may bring his or her library card to check out books to take home. This is at parent's discretion as children will be responsible for books checked out on his or her personal library card. On Wednesday morning, we will attend a Carnival at Laurel Oaks Park. It has been a busy summer. I have taken numerous photographs, which I would like to share with you. I will be putting photographs of our class' summer activities on our classroom door. If you would like to take a photograph of your child home as a keepsake, you may take them off the door at the end of each week (Friday or your child's last day that week). I will continue putting different photos up until the last week of Summer Care.

We had a great week going to the zoo!! As for next week we are planning a new project! This week we talked a little on World History and our favorite part in it. Next week we will go beyond that by creating a poster of the time period of their choosing!
