Time has been flying by in 1st Grade! This week we will be focusing on "Paying it Forward!" We will have some lessons on what it means to "pay it forward," as well as acting out skits, and completing a small service project of picking up trash around our school! This week we will also be celebrating the 4th of July with many different activities and crafts! Let Freedom Ring!

4th-6th

This past week we went bowling along with having a parade for the residence at Prince of Peace nursing home. The kids really enjoyed creating parade floats at the beginning of the week. Last week we started a project about Saints. Each student was able to pick a Saint and made a poster on that Saint. They are hung up by the classroom near the playground. Next week is Independence Day. We will not have Summer Care on Tuesday or a field trip. The swim days are still set for next week so have your kids bring their swim gear!
