

SUMMER CARE

Week 2
May 29-June 1
Theme—Inside-Out

Teaching Gardens

We are excited to add Teaching Gardens to our Summer Care curriculum this year.

You have probably noticed our beautiful raised garden beds, on the north side of the school, that were built by our families. There will be four themed gardens. The students will help plant, care for, and harvest the gardens.

The students will be voting on a name for our garden soon.

Summer Care T-Shirts

Your child will be given a t-shirt for the summer. You are responsible for washing the t-shirt and sending it with your child on swim and field trip days. This t-shirt helps to keep our children safe. It is much easier to tell which children are part of our group at a glance when they are wearing their t-shirt.

The t-shirt is theirs to keep at the end of the summer. Thank you to the Nasser Law Firm for donating the t-shirts.

Lunch- We will be taking lunch count in the classroom each morning. If your child will not arrive by 8am please call to order a school lunch. You can also fill out the monthly calendar with your student's choice of hot or cold lunch.

Swim Days will begin the week of June 4th

PK-A — Wed, Fri

PK-B — Tue, Thur

PK-C — Mon, Thur

Kind — Wed, Fri

Notes From the Teachers

PKA

Week 1's theme was the Wizard of Oz. We did some craft projects, reading and games around the characters of the story.

My goal for this week is to make everyday FUN! Through beginning with engaging lessons in the morning (God, bible stories) and fun activities in the afternoon. I look forward to getting to know your student, making this summer special, and full of FUN times!

PKB

Week one is in the books! I have had a wonderful time getting to know the kiddos in Preschool B! This next week our theme is Inside Out. We will be going bowling this week! I don't know about the kiddos but I am ready to show off my bowling skills!

MaKayla Mergen

PKC

Welcome to week 2 of Summer Care!! Our theme this week is Inside Out. Each activity we do this week will be centered around our emotions and how they can affect the people around us! We will be going bowling (May 30th) this week.

Week 1 went by fast! We had a great time at Heuther Tennis! The kids were tired out. Next week we will be talking about feelings. We will talk about identifying emotions through facial expressions. We will talk about what situations cause us to feel happy or sad. Week 2 we will go bowling and meet Storm players! Bring swim stuff on Friday as we may do sprinklers and water play outside.

1st

This week we worked on solids, liquids, and gases in science and dealing with money in math. Our Bible story for the week was Noah's ark, so we read that story and did a rainbow art project on Friday. We created and wrote about an additional character that Dorothy encounters along the yellow brick road.

2nd

Wow week 1 flew by! We had a great time kicking off the start of the summer in 2nd grade. We came up with a group name (The X-Treme Team) and signed a Class Constitution with our painted handprints. To keep with this week's theme, we made a *Wizard of Oz* craft, and even did a Reader's Theatre of the story! As the summer unfolds, feel free to send toys (no electronics, please) and books with your child. However, they are responsible for keeping track of their belongings. Labeling would be a great idea!

Week one went GREAT! We started off the week by getting to know each other, making posters about ourselves and decorating the table spots however the students wanted to! Throughout the week we worked on our multiplication facts, graphing, and writing skills. We had a lot of fun with our first theme which was Wizard of Oz. We were able to watch the movie and do the reader's theater for it! Our first field trip to Heuther Tennis was a success and the students seemed to enjoy it. Our key verse for the week was from Ephesians. Next week's theme will be Inside Out and we will focus on feelings and what causes them. Also, we are looking forward to our two field trips next week with meeting the Storm players and going bowling!

4th-6th

Welcome to SFCS Summer Care 2018! All of the Summer Care staff are excited to start the summer with the students! This summer's theme is movies, and this week's movie was The Wizard of Oz. We watched *The Wizard of Oz* on Cinema Tuesday and then engaged with a character graphing activity, a reader's theater, and a science experiment. We also read from Ephesians as we learned about the armour of God.
