Notes From the Teachers

PKA

We had a good week learning about bugs! Next week's theme is The Lego Movie! We will be doing some projects centered around building with legos and crafts and continued reading time in the library. We will also be having a lot of fun at the pool (please remember the orange shirts) the field trip to Skate City, and the Big Paws coming to school!

Grace Beaner

PKB

This week our theme is The LEGO Movie. We will be building with legos and even painting with Legos! Our field trip this week is Skate City on Wednesday. We will also be having a rollover simulator and Big Paws service dogs come to our school! Should be a fun week ahead!

MaKayla Mergen

PKC

It's going to be another fun week at Summer Care!! Our theme is The Lego Movie!! In addition to our Monday and Thursday swimming days, we will be going to Skate City on Wednesday. Please remind your student to wear their ORANGE summer care t-shirt and SOCKS for this field trip!

Katie Drummond

Kindergarten

This week we are going to Skate City on Wednesday afternoon instead of swimming. Please remember to have your child wear socks for skating! Our only swim day this week is Friday. However it will still be a very busy week as we have on site events on Monday and Tuesday morning. During center this week, we are doing math and reading activities with Legos and also some creative Lego projects.

Jordy Bosseler & Sarah Langin

1st

This week's theme is The Lego Movie, so we will focus on building. All of our read-alouds this week will be about building and we will get to build our own creations with different kinds of material. In math, we will work on telling time.

Kira Stiles

2nd

We had an awesome Week 3 in 2nd grade! We learned a ton at the Stensland Dairy Farm and had a lot of fun seeing how ice cream and other dairy products are made. Not only that, we got to pet calves and feed them bottles! Heading into Week 4, we will focus more on building vocabulary and reading fluency by reading everyday. We will continue enhancing our faith as well!

Jordan Osterberg

3rd

Week four already! This week's theme is The Lego Movie. We will be building different structures with legos and exploring how to make our own lego movie! Along with those fun activities, we will be practicing our math facts and having the rollover simulator and service dogs come visit us. For the final field trip of the week we will be going to Skate City! We can't wait for another week!

Jenessa Herman

4th-6th

This week is all about building--specifically with Legos! This week's theme is The Lego Movie. We will be using Legos to build bridges to support weighted materials in a STEM challenge, and we will be using Legos to build fraction models. We will also be looking into other popular toys throughout history in a Kahoot trivia game. We will even try to play these popular games! For Cinema Tuesday, we will be watching The Incredibles upon popular request. Lastly, we will be looking at cardinal virtues in religion.
