"Children are a gift, a part of your heart
you can hold in your hand."

Aleta L. Jaspers

Miss Jaspers (Aleta Lindell) came from Miss Jaspers' House to share some tips on using good manners this summer. She had the kids using polite words with her "Yes please" / "No thank you" Game and listening for the word "please" in a version of Simon Says. Children also practiced meeting friends old and new with eye contact, a smile, a handshake and the words, "Hi my name is ____." They began and ended their time with the song "Give it Away." All our talents and interests and even our smile are gifts from God. We serve Him when we give those gifts away to help others. In the words of Erma Bombeck, "When I stand before God at the end of my life, I would hope that I would not have a single bit of talent left, and could say, 'I used everything You gave me.'"

Miss Jaspers' House is a faith-based learning enrichment program with a focus on Leadership and Etiquette. To find out about summer parties and other events find Miss Jaspers' House on Facebook.
