

SUMMER CARE

Reminders:

- **Sunscreen**-Please bring a bottle of sunscreen that can remain at school.
- **Swim Fob**- It works really well if you have a swim fob that can be kept at school. Otherwise please make sure to send one with your child on swim days and swimming field trips.
- **Shirts:** Your child will be receiving a Summer Care t-shirt. These are to be brought with your child on swim days and field trips for their safety. At the end of the summer the t-shirt is theirs to keep.
- **Shoes:** Tennis shoes are required. Sandals are only allowed at the pool.

PK- A

We had a blast at skate city last week! The storm football players will be joining us on Monday and we have the tennis field trip later in the week. Hopefully the weather gets nice enough for our swim day! In the class room we will keep working on rules and how to line up. Please don't forget to send a bottle of sunscreen to keep here at school, for we put it on everyday before we go play outside.

Excited for week three

Another great week in the books! This week PK B will be going swimming! With this said, please remember to bring sunscreen. Our theme this week is **Down on the Farm**. With this theme we will be using our senses and taking turns exploring in our sensory bins filled with corn. We will also be talking about farming and what we might find on a farm

Hello!

Skate City was so much fun! The kids really enjoyed it. We will be going on a field trip to the tennis center in the week. We will also be swimming this week, hopefully the weather will be warm and sunny!

Our swim days are Monday and Thursday. Please send a swim suit, swim pass and sunscreen with your child. Thank you!
I'm excited for week 3!

Kindergarten

Week 3 will be a very busy week. Storm Players will be visiting on Monday. Tuesday and Thursday we will go to Laurel Oaks Park to play in the afternoon. Wednesday is a double header with a field trip to Huether Tennis in the morning and swimming in the afternoon. Friday is also a swim day (as always weather pending). The theme for the week is Down on the Farm. We will be doing lots of fun farm learning activities. The class does an hour of learning time every morning, which usually includes a Kindergarten review worksheet and math or sight word game/activity.

First Grade is going to be, "Down on the Farm," this coming week! They will be on a "Virtual Tour" of The Broad View Ranch in Sheldon, Iowa where they will get to see pictures and videos of livestock, tractors, equipment and barns! This week we will continue to practice math facts, writing skills and pray to the Saint of the Day. This is also our first week of swimming at Laurel Oaks Swimming Pool. Don't forget to bring your "blue summer care shirts" back!

2nd

We had another awesome week keeping our brains active and bodies busy in 2nd grade. We are looking forward to swimming at laurel oaks and visiting Huether tennis center next week.

Jordan Osterberg

3rd Grade

The third grade class has continued their work on United States capitals, along with math and reading activities. We also enjoy doing word searches and coloring pages. The kids will be doing a trivia game that uses multiple areas of knowledge that they have already covered, as well as new information to get the kids excited for what they are going to learn in the future.

4th-6th

This week of the summer program we have been enjoying many new things such as games and learning about our likes and dislikes by creating flags. We began this week with a field trip to skate city which everyone loved. Next week we will enjoy a trip to the pool and Huether Tennis.
