# Notes From the Teachers

## PKA

This week the theme is Frozen! We will be learning about cold and hot weather, doing some Frozen crafts and watching the movie Frozen on Thursday! Please remember orange shirts for swimming.

Have a Great week!

*Grace Beaner*

## PKB

*This week our theme is frozen! We will be experimenting with ice and water! Please remember to bring the orange shirt for swimming!! Thank you and have a wonderful week!!*

*MaKayla Mergen*

## PKC

Welcome to Frozen Week!! I have lots of fun crafts and activities planned for this week! As a reminder, our swim days are Monday and Thursday so please remember to bring your orange t-shirts!

*Katie Drummond*

## Kindergarten

Our theme this week is Frozen therefore we will be celebrating winter in July. We will do fun art projects and science projects having to do with winter. On Tuesday will have our Track and Field on-site event in the morning. Please remember to bring orange shirts for all field trips and swim days.

*Jordy Bosseler & Sarah Langin*

## 1st

Our theme this week is Frozen so we will be learning about the seasons. All of our read alouds will be about the different seasons. We will do a science activity dealing with temperature and the seasons. Our math focus will be measuring. Our Bible focus for the week is the story of Easter.

*Kira Stiles*

## 2nd

It's hard to believe our theme for Week 8 is Frozen with how hot it's been!! We are excited to visit the Ice Plex and continue prepping for the upcoming school year. How are we already over half-way through Summer?! It's hard to believe school will soon be right around the corner!

*Jordan Osterberg*

## 3rd

WEEK 8 ALREADY! THE THEME SEEMS TO CONTRADICT OUR WEATHER! THIS WEEK'S THEME IS FROZEN! WE WILL BE LEARNING A LOT ABOUT WATER AND THE DIFFERENT SEASONS! WE WILL BE VISITING THE ICE PLEX AND ALSO HAVING A TRACK AND FIELD DAY HERE! HAVE AN AWESOME WEEK!

*Jenessa Herman*

## 4th-6th

*This week's theme is based on Disney's Frozen. In our science exploration, we will categorize properties of the three states of matter. We will also take some time to study fairy tales from Hans Christian Andersen, and we will write our own fairy tales. Lastly, we will be creating snow globes and reviewing fractions.*

*Becky Kayser*
