History Fair

We are studying some exciting things here at CTK and want to share our knowledge.

Students will be displaying their famous person in history dead or alive. We would like to share our discoveries with you on April 30th from 6:00-7:00pm before the SFO cookie social. Each student will stand by their famous person and present to parents and students their research. Students/families can participate in a history fair project to be displayed on April 30 at 6:00pm. This is optional for students in grade 1-3. Students in grades 4-6 are required to participate. If you participate, students/families can choose a person in history and research their topic, and display their research on a tri fold divider. Students will then get a chance to explain their person in history to parents, students, and friends who come to observe the projects that night. More details to come later, but start thinking about your project and get a good start. Friday, April 6th will be the deadline to sign up for the history fair.
